Mr. Ralph R. Shaw, Librarian,
Library, U. S. Dept. of Agriculture
Washington 25, D.C.

I, Max F. Wilhelmi, warrant to the extent of the purchase price that the seeds I sell are as described on the container, within reasonable tolerances, I give no other or further warranty, express or implied.

Dear Sir:

As requested in your favor of March 31st, I enclose here-
with my latest Contract Price List showing varieties of Seed Beans and
Seed Peas which I am producing for crop 1952.

I am sorry to say that this is the only literature that
I am able to supply you because I do not issue a catalog but solicit
business only from seedsmen and the large produce shippers in the
south and I have never found it necessary to issue a catalog for that
class of trade.

Yours very truly,

Max F. Wilhelmi
